

TITLE AND REGISTRATION SEMINAR

The Maryland Automobile Dealers Association, along with managers from the Motor Vehicle Administration, will present a seminar that offers the opportunity to learn new procedures and review old procedures.

Due to the constant changes of regulations governing the sale of a vehicle, MADA strongly encourages individuals from the F&I, Sales, Business Management, and Title & Registration Departments to attend this seminar.

This is a great opportunity to network with your ERT representatives as well as your MVA representatives.

Space is limited so register as soon as possible!!
